Section 3. In order to promote the health, safety, security and general welfare of the citizens of the County, it is the Commission's intent to take all necessary and advisable steps to consider and, if appropriate, to effect the issuance of the Bonds in an aggregate principal amount up to \$430,000,000 in order to defray part or all of the costs of the Project. Section 4. The Bonds shall be payable from the revenues of the Project or other moneys payable by the Company with respect thereto, and shall not constitute a debt or indebtedness of the County within the meaning of any provision or limitation of the Constitution or statutes of the State of New Mexico. In addition, if the Bonds are issued, the Company shall indemnify and hold harmless the County, the Commission and their respective officers, employees, designated representatives and agents (collectively, the "Indemnified Persons") from and against any liability to the Company or to any third parties that may be asserted against the County with respect to the County's ownership of or leasehold interest in the Project or the issuance of the Bonds. The Company shall not use the Certificates other than for such things as may be permitted by law, if any, nor shall the Company use such Certificates after the completion of the Project. Prior to the use of such Certificates by the Company as agent for the County, the County Manager and the Company will agree to certain procedures regarding the use of the Certificates and protection of the County from any

Section 9. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.
