- Regular meetings are typically the first and third Tuesday of each month. The calendar of meetings can be located on the County's website. Please verify the meeting dates on the County's website as there are some months that differ from the typical schedule.
- The Manager's Office prepares a packet, which includes copies of the agenda, contracts, action items and other requests. Packets are sent to the Commissioners as soon as they are ready. Changes will not be made to the agenda if packets have already been sent out.
- Financial requests requiring changes to the budget (ex. Increased budget, change in funds or transfer of funds) require a 30-day notice to the Administration Office.
