

ENM Behavioral Health Leadership Council presents

Mental Health and Crisis Communication Training for Helping Professionals

This Photo by Unknown Author is licensed under CC BY

Training will be facilitated by Justin Nutt, LCSW and James Abelar, LCSW with the following focus:

- Describe the basic signs and symptoms of mental health diagnoses
- Describe the basic signs and symptoms of substance use disorders and active drug intoxication
- Provide understanding of active listening and de-escalation skills
- Describe the types of nonverbal communication
- List questions to ask when assessing suicide risk
- Review suicide intervention techniques for first responders
